

## Adaptor M8 on rear A-cod. / MSUD valve plug C-8mm

Form C (8 mm) – M8, connector at the rear 24 V AC ±20% / DC ±25% LED and suppressor diode

3-pole

Plastic housings with good resistance against chemicals and oils.

The resistance to aggressive media should be individually tested for your application. Further details on request.

Important installation notes		
Note on strain relief	Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.	
Note on bending radius	<b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces.
